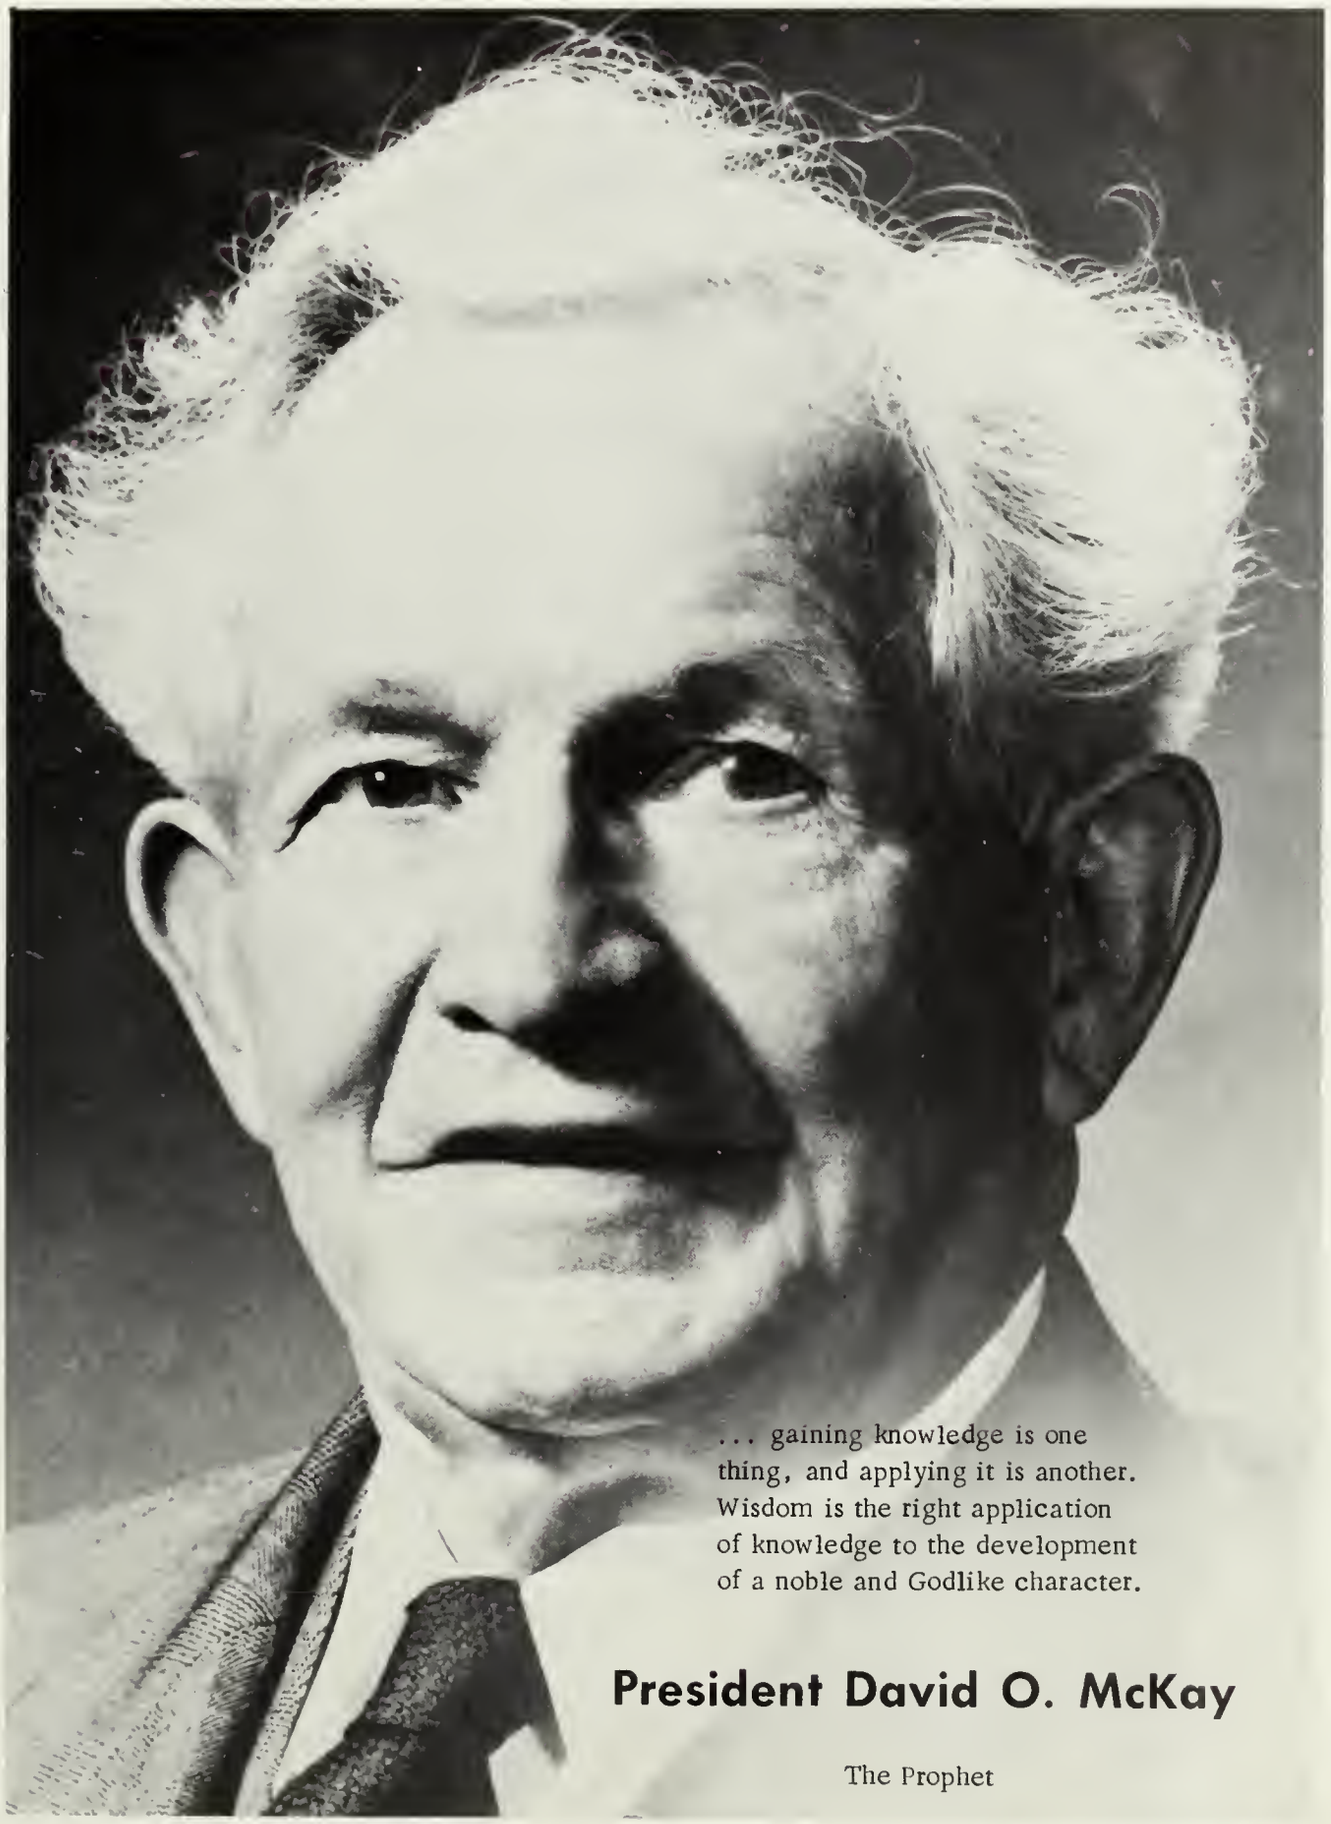
Joseph Fielding Smith

Counselor

Thorpe B. Isaacson

Counselor

The President of the Church of Jesus Christ of Latter-day Saints



... gaining knowledge is one thing, and applying it is another. Wisdom is the right application of knowledge to the development of a noble and Godlike character.

President David O. McKay

The Prophet

RALPH E. WOOLLEY LIBRARY
The Church College of Hawaii

My warmest congratulations to faculty and students on having completed another successful school year. I hope you students will ever be grateful to the leaders of our church for providing such a fine school for you. I challenge you to express your appreciation by working hard at your studies, by living, clean, wholesome lives, and by living all the commandments of our Heavenly Father.

Dr. Harvey L. Taylor

Administrator, Church Schools

Dr. Keith R. Oakes

Assistant Administrator of
Church Schools

Faculty

Our Principal

"The goal of our school is "Improvement," meaning growth and development in matters of the mind, body and spirit. The achievement of this goal depends on the effort of all of us both independently and collectively.

It has been a great pleasure for me to work with you in pursuit of this goal."

Brother Roy Miller

Our principal, Brother Roy Miller, his wife Janet and children Connie Larie, Jeanene, Vickie, Ralph S., Chrisie, and William I. will leave us this year for the states, but they leave behind an everlasting memory of three wonderful years well spent.

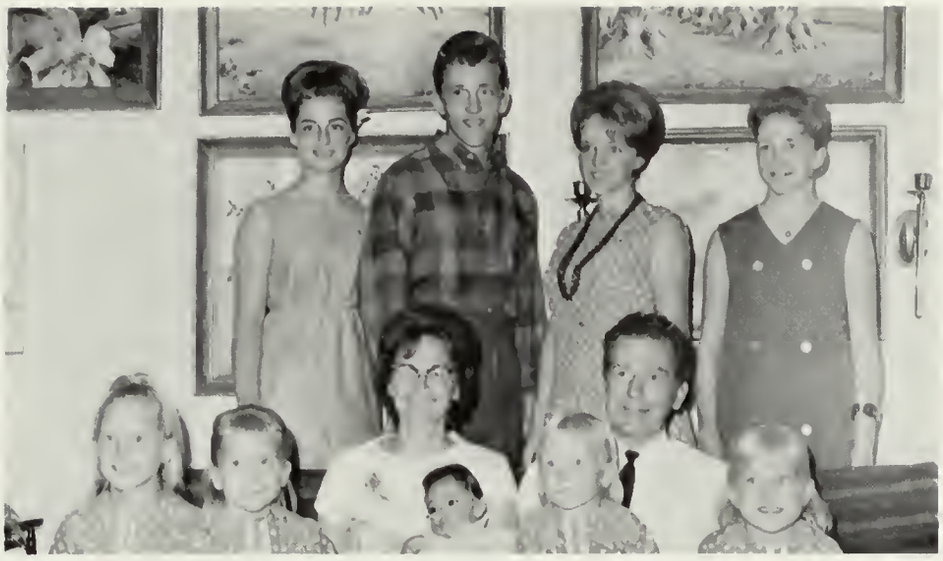
The Administrative Council

Everyone knows that our school would be in utter chaos without our principal's secretary Sister Patsy Harker.

Efficiency with a smile on every occasion is our Counselor's secretary and Assistant Librarian, Sister Anita Card.

Brother Arthur Anderson and wife Jo, with their children Biff, Todd, Kitturah, and Tracy Tuimatafao are former residents of Utah. They traveled to Samoa in 1962 and have lived here ever since. He is now teaching Zoology, Biology, General Science and High School Math. We hope he never leaves our Island.

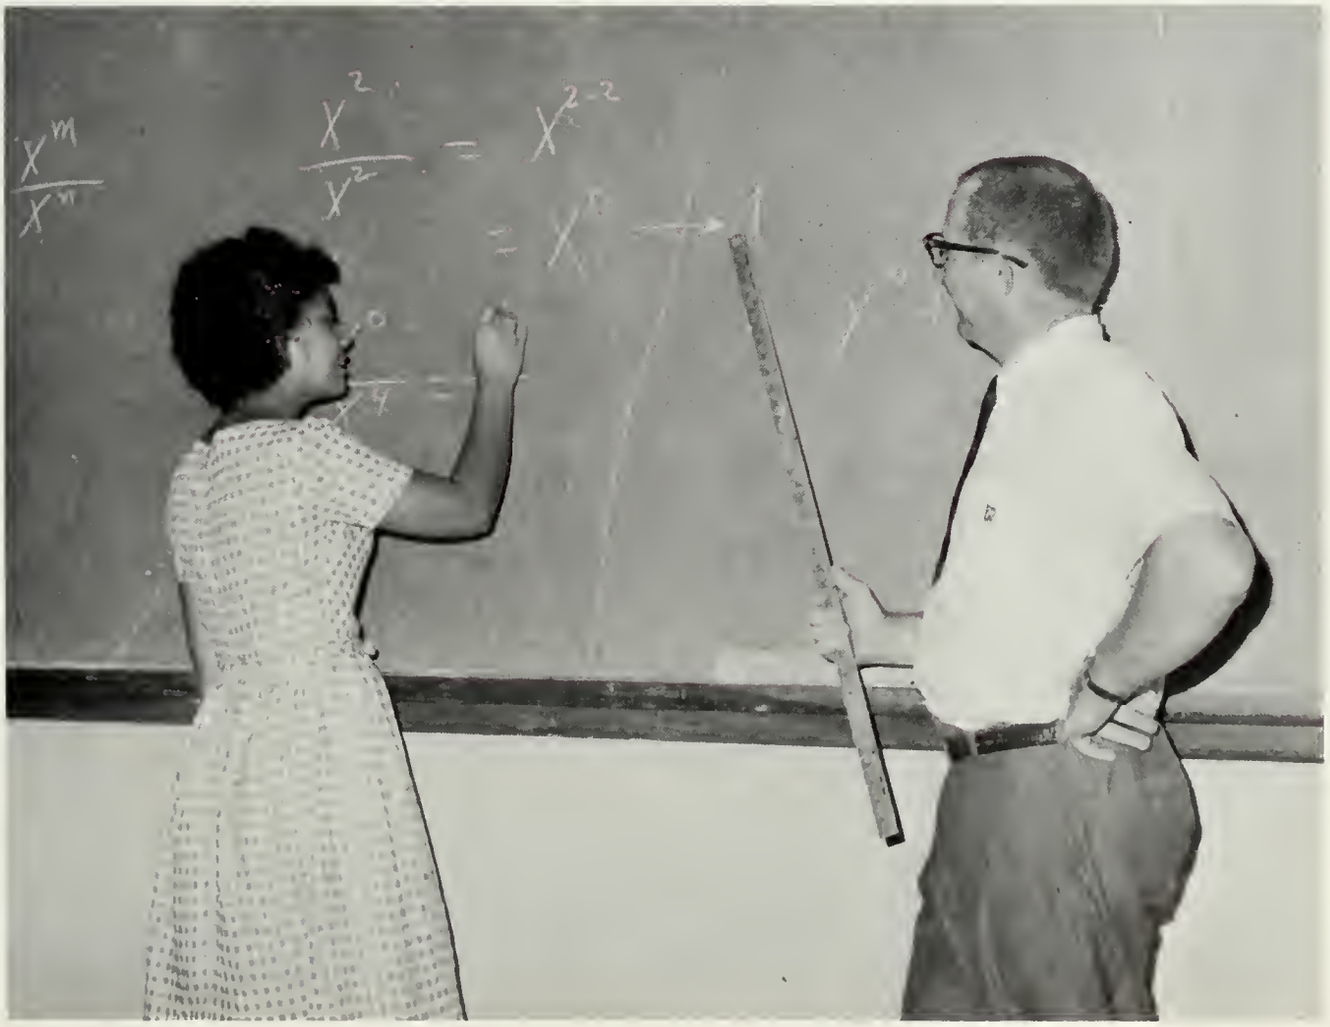
Brother Melvin Banner, and Charlene came to Samoa last year to be our Industrial Art instructor. They have four children: Kent, Craig, Darece, and Lisa. In addition to his school duties he is also the president of the Malaeimi branch.



It has been 2 years since Brother Aaron Card and Bonita came to Samoa with their children: Anita, Ken, Marie, Rachelle, Robin, Christine, Shannalee, Kayleen, and Shari Dawn, but in that short time the whole family has left an indelible impression that will last forever.

Sister Sondra Cravens came with her husband, Jack, on a business venture. But being certified, we pursuaded her to be our new reading teacher. We are grateful for her. They have four children: Jon, Tracy Ann, Cathy, and Kevin.

Brother Richard Fullmer and wife Marion have lived with us for the past two years with their children: Paul, Philip, and Peter. We appreciate how he makes Algebra and Science really live.



Brother Richard Garside comes from Canada and attended the University of Alberta. This year he is teaching 9th grade English, Reading, and Social Studies. Here he is with his wife Barbara and children, Gordon, Richard, David and Teuila.

Brother Garth Harker and wife, Patsy, are indispensable figures at Mapusaga. Bro. Harker is our music instructor and history teacher. All of the pictures you see in this yearbook are a credit to his photographic skill.

Brother Royden Hill is from Gunnison Utah. He graduated from the B.Y.U., majoring in Business. Sister Amadita Hill is from Mexico, where she attended College. They are really enjoying their stay in Samoa, especially the green mountains, the ocean, and the people here in Samoa.

Brother Pitone Ioane came to us from Western Samoa having graduated from the Church College of Hawaii. He came along with his wife, Phyllis to keep the local color by sponsoring the Samoana Club as well as teaching History and Home Economics. Living with the Ioanes and going to school at Mapusaga are Pitone Salanoa, Tini Fuaoletavai, Keli Pula and Siaumau Tauilelagi.

A quick peek at Sister Hill's Art Class, and Sister Ioane's Home Economics Class.

Brother Harold Hintze and wife, Pat, brought Harold Jr. with them from Arizona. From the time they've been here, they have adopted a Samoan daughter, Sela. Brother Hintze teaches religion and directs our sports activities.

Brother Marley Jarnagins' family consist of his wife Johna Vee, their children Joel, David, Andrew, Tala'ifualetalalelei, and their Togan daughter Hinemoa. "It's been a wonderful experience teaching English to the Samoan students these years. When we think about leaving Samoa, we become sad, knowing we may never return. But, our home in the United States will always be open to any students who will like to visit us."

The Johnson family consists of Jerry Johnson, wife Karen, and sons Scott, and David. Our counselor has B.A. and M.A. degrees from B.Y.U. The funny thing about this family is their trip to Samoa was their first ride on an airplane.

Brother Joseph Johnson our Business instructor came to us from Utah, along with his wife Naomi. He has five children: Susan, Joseph, Naomi, Benjamin, and Paul.

Brother William Lyda and wife Linda has taught us Religion in both words and actions. They will leave us this year with their children Ronda, Brenda, and Jana. We will miss them very much as will their Samoan daughter Sosefina.

We are grateful for our Samoan brother Elisara Ieremia and his wife Ema. He is our Librarian and Chorus instructor. They have seven children: Kiona, Valaparaiso, Etelani, Nifaesemo, Eseta, Filipo, and Jennie.

Sister Donna Bastian is the wife of our Buildings and Grounds Superintendent, Brother Raymond K. Bastian. Their family, consisting of: Raymond K., Carma, Authur L., Diane, and Joyce have all added to our culture tremendously as have their parents. She teaches English for us.

Have you joined the itchy stichy club yet?

For initiation see our most proficient nurse, to whom we are eternally grateful, Sister Barbara Garside.

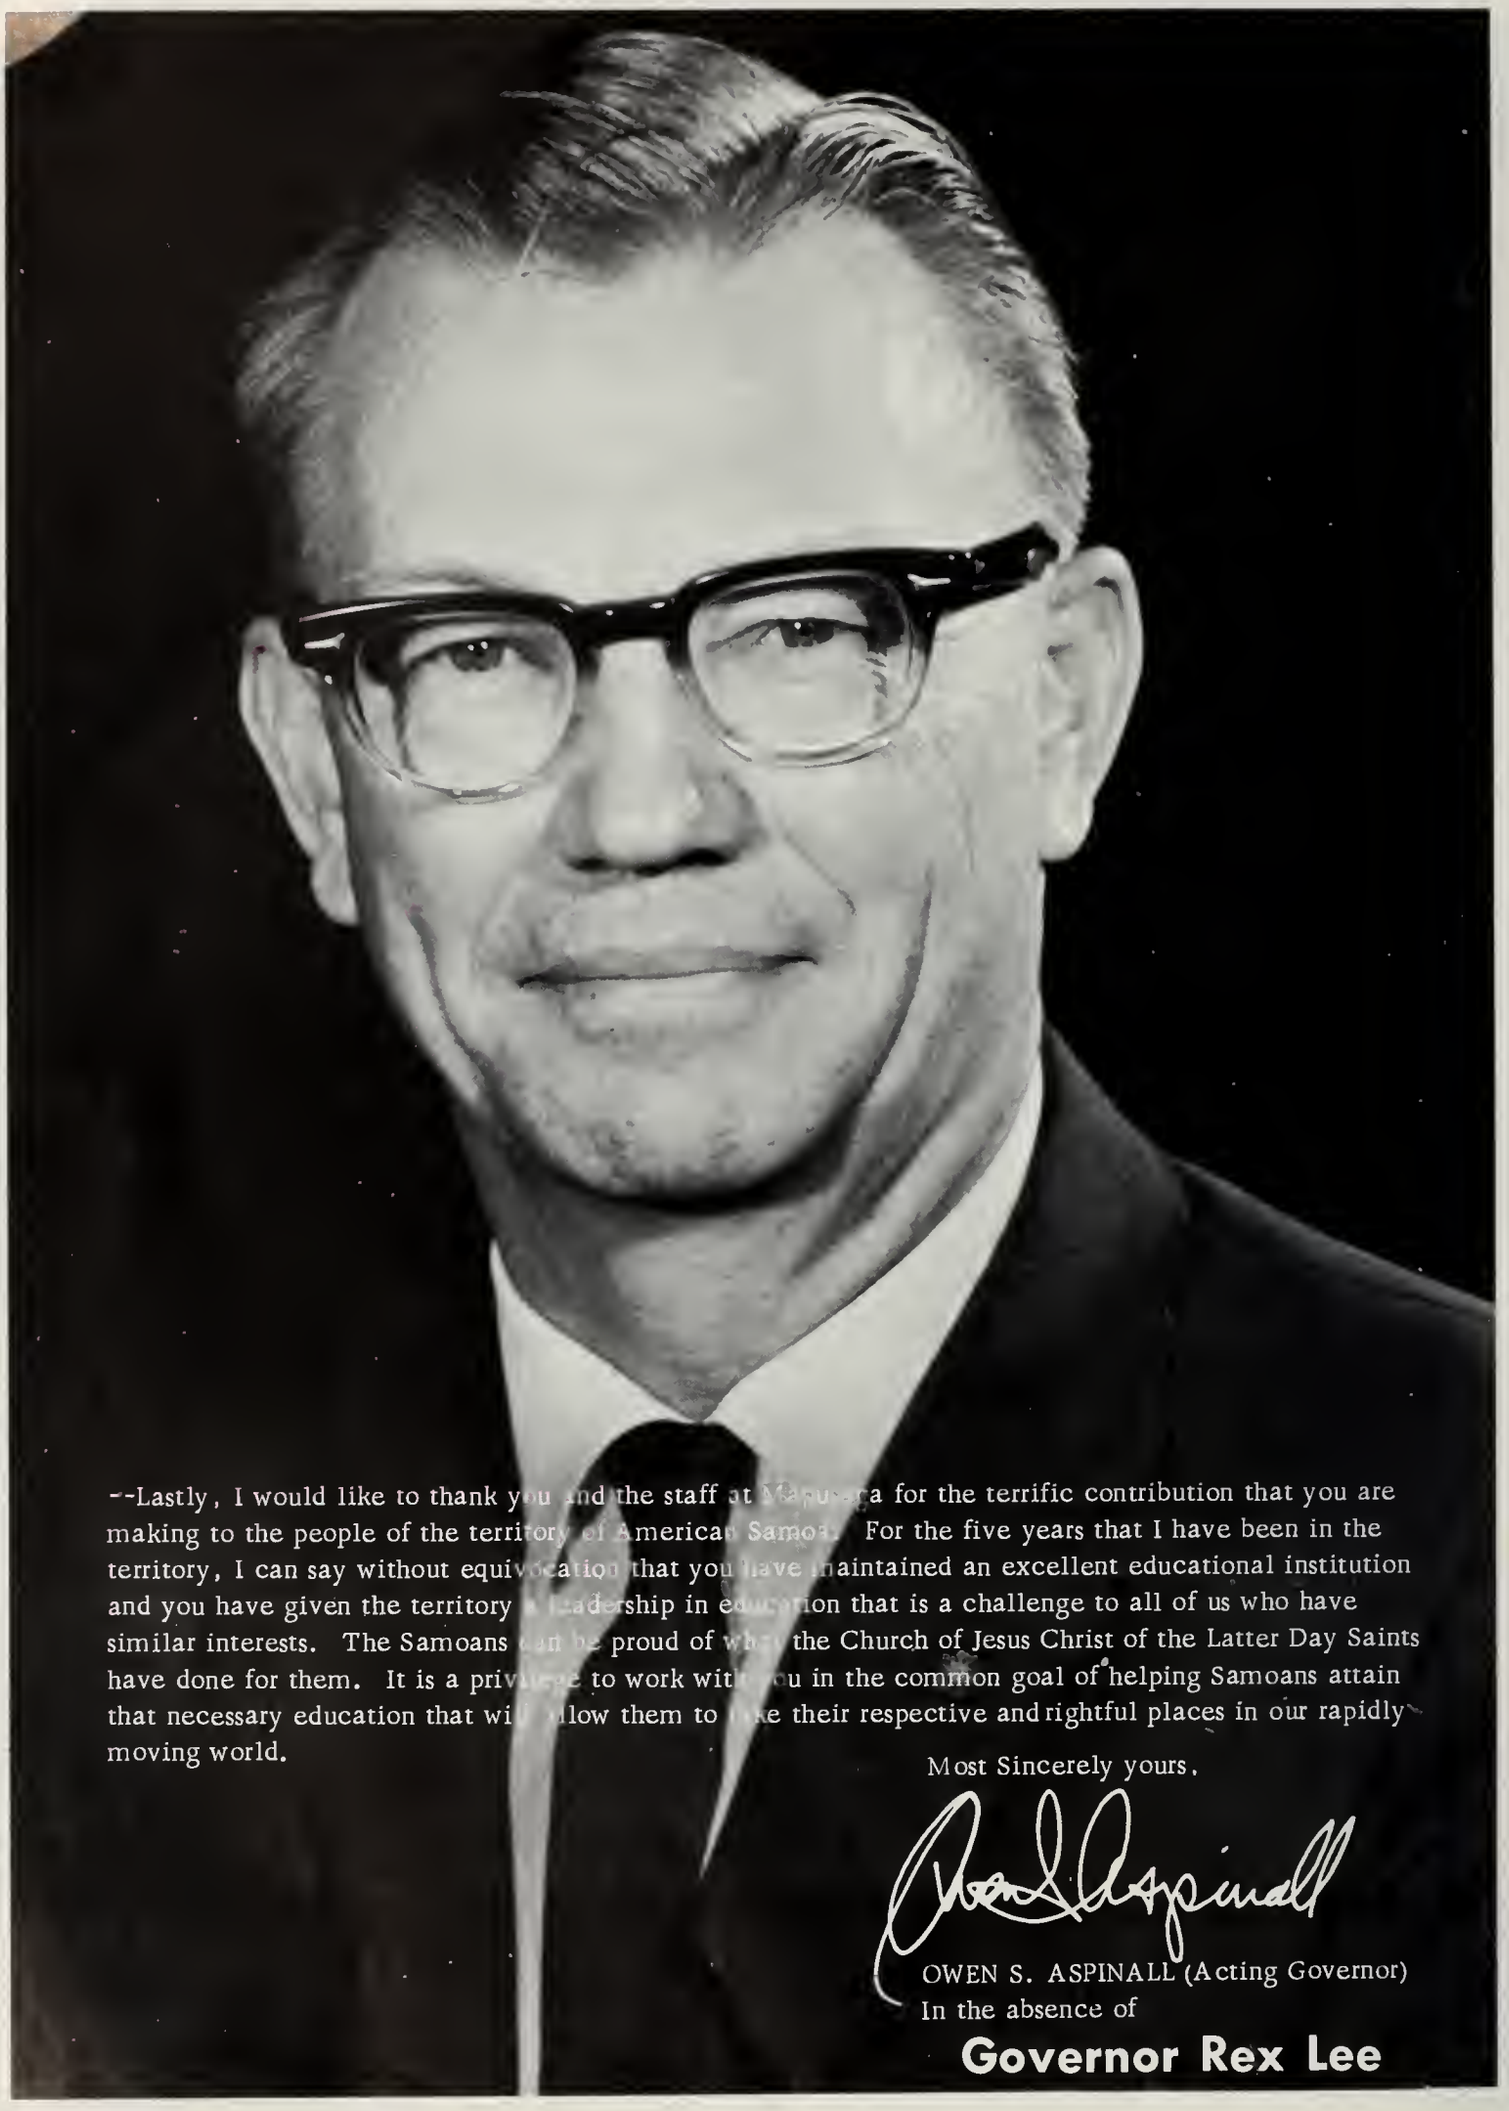
Our Buildings and Grounds Superintendent, Brother Raymond K. Bastian and helpers: Sanelivi, Apua, Tusitala, Togi, Lualua, and Foloi keep everything in good condition always.

On behalf of President Johnson, I take pleasure in extending greetings to the students of Mapusaga High School.

The President and Mrs. Johnson enjoyed their recent visit to your beautiful Island and share a deep interest in its continued well-being and development. The realization of this goal depends largely upon the willingness of the young people there to take fullest advantage of the educational opportunities offered by their schools.

Best wishes for happiness and success in the years ahead.

Harold Howe II
U.S. Commissio



--Lastly, I would like to thank you and the staff at Manuʻa for the terrific contribution that you are making to the people of the territory of American Samoa. For the five years that I have been in the territory, I can say without equivocation that you have maintained an excellent educational institution and you have given the territory a leadership in education that is a challenge to all of us who have similar interests. The Samoans can be proud of what the Church of Jesus Christ of the Latter Day Saints have done for them. It is a privilege to work with you in the common goal of helping Samoans attain that necessary education that will allow them to take their respective and rightful places in our rapidly moving world.

Most Sincerely yours,

OWEN S. ASPINALL (Acting Governor)
In the absence of

Governor Rex Lee

Lumana'i Staff 1967

The Lumana'i staff has attempted to make our yearbook the best since the beginning of Mapusaga High School. As you have noticed throughout this publication, there have been many innovations over past publications. This has been possible through the efforts of Bro. Hill, who has spent long hours directing and working with the staff, and Bro. Harker, who has made it possible to have such wonderful pictures produced for this years Lumana'i.

The efforts of Minnie, Elizabeth, Ralph, and Terry were very appreciated, and without them we could have never finished.

Soifua,
T.M.T. Terry
